The GDS Storefront Estimating System is sold as a yearly subscription. If you are already running the WinBidPro trial, you will be given a 12 month license after payment is received. The license will activate your trial software, so there is no need to reinstall the software or any catalogs. Licenses are sold in packages. Quantities over the 5-User package are priced at \$176 per license. For example: a 7-User license would be 1, 5-User package at \$992, and 2 additional licenses at \$52: .
